

ALEXANDRIA GAZETTE.

THURSDAY EVENING, APRIL 7.

NO PASSES, NO PUFFS.—The Interstate Commerce bill compels us to adopt a schedule of railroad advertising rates, which we beg to announce as follows:

For the setting forth of the virtues (actual or alleged) of Presidents, General Managers or Directors, \$2 per line for first insertion and \$1 for each subsequent insertion.

For puffs expressed in choice English, with occasional French phrases or poetical extracts (the whole with a palpable motive of honest enthusiasm), \$2.50 per line; 50 per cent. reduction on each subsequent insertion.

General passenger agents and division superintendents will be accorded half rates on the terms offered in Rule No. 1. But in all cases where the title of column is used regular first-class rates will be demanded.

Thousands-mile tickets on the basis of 2 cents per mile will be received in exchange for advertising done at our card rates, but these tickets must hold good on passenger as well as freight trains.

No deviation from the card rates can be made in favor of parties handing us 5-cent cigars with the puffs they desire published.

For complimentary notices of the wives and children of railroad officials we demand \$1.50 per line. We have on hand, ready for immediate use, a splendid assortment of this literature.

Poetry will be made to order at \$3 per inch, agate measure. We are prepared to supply a fine line of heptameter puffs, also a limited number of sonnets and trios, in exchange for 1000 mile tickets. Epic poems containing descriptions of scenery, dining-cars, etc., will be published at special rates.

General superintendents sending requests for the suppression of news must accompany their requests with \$10 bills—not necessarily for publication, but as a guarantee of good faith.—Chicago News

DO NOT MOTHER.

Mrs. Winstow's SOUTHERN SYRUP, for children teaching, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teaching the child is liable to become teething, griping in the bowels, and wind-colic. By giving health to the child it rests the mother. Price 25 cents a bottle.
